## BOOK OF THE MONTH

### OUR READER'S THOUGHTS

This book is one that you will not forget! Rusty Young has written an engrossing revenge thriller that puts you in the thick of the bloody wars between guerrillas, armed forces & drug lords in Colombia.

Written from the point of view of a child-warrior, it is an incisive look into the brutality these wars bring & the people caught up in them.

You will be both heart-broken & touched by Pedro's determination to avenge his loss in a world where violence is seen as the only solution.

Perfect for readers of Shantaram & Hotel Kerobokan.
